SPECTRUM

Imagine yourself on a snowy and blustery day, wasting time doing a lot of nothing. The clock over the kitchen stove is ticking too loudly and unconsciously you find your foot tapping right along with it. Tick-tock, Click-click. Suddenly and idea slips into your mind—the attic? Maybe. Everything from the past has become a dust ridden memory stuffed away into this cold attic. Quickly walk to the ladder and climb into an afternoon of yesterday . . .

Years from now we hope you will blow the dust off this yearbook and smile. Open it to that special time and moment shared with others. Glancing across the pages your mind will play with memories you haven't thought about in years. Then the SPECTRUM staff can be assured that we created something of value . . . diamonds are forever.

GO'S DAY

HOMECOMING

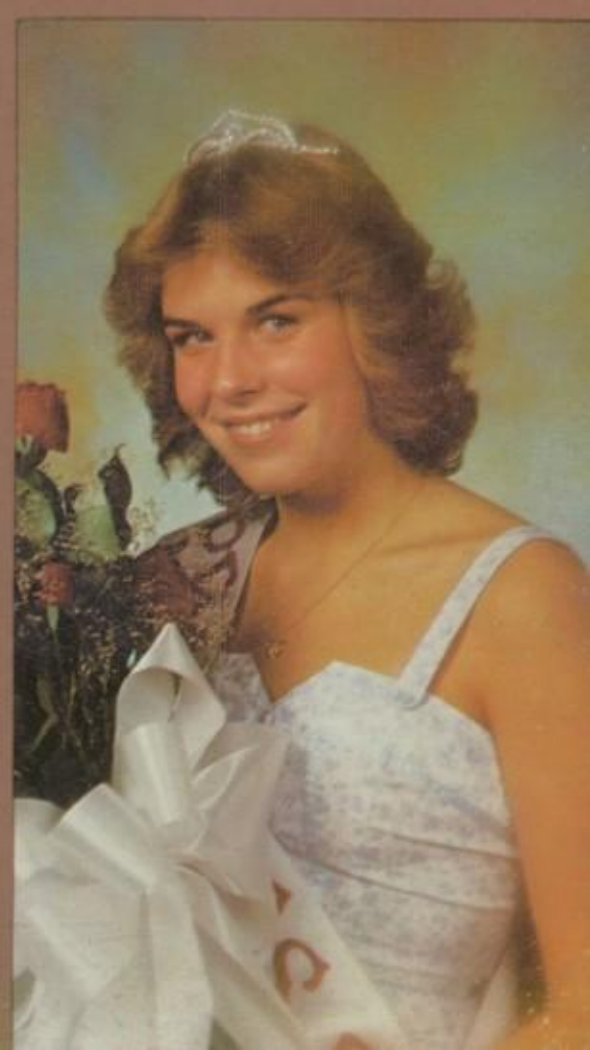

Twenty years from now, our 1978-79 Homecoming will mean different things to different people. To Kimberlee Homme, as this year's Homecoming Queen, it will be a memory not yet forgotten. To our football team, well, perhaps by then they will be able to laugh about it.

Value, in memories, is determined by their intensity. Lesser experiences fade away quickly, whereas stronger memories stay sharp and vivid. We will all value this year's Homecoming, not so much as a defeat, but more as a collage of laughter, disappointment, cheers, and excitement.

Dimond High School's 1978-79 Homecoming Court from left to right. Princesses; Shaunna Clyne, Roberta Brown, Sarah Sullivan, Diane Riedel, Rhonda Hertz, Robin Kelm; and our beautiful Queen, Kimberlee Ann Homme.

Have any of you ever really thought about your Student Council does for you? Our Student Council is a backstage force behind many of our school activities. They have given many donations to clubs in the school.

The ladder that Student Council is built on is misunderstood. The wade school government is headed by the executive board. Mrs. Johnson, our activities director, collaborates with them. Then each respective class has a President and Government of its own. They deal with class problems and plans, while the executive board deals with the school government in general.

The Student Council is a very important group in our school. There are a lot of things that we would never be able to take part in without them. Thank-You Student Council for all of 1979's big happenings.

SOUL ON ICE

Dimond High Students, this is not a club for skaters! Soul on Ice is a Black Culture Club doing a variety of activities for ourselves and to let society know we exist. The club is primarily Black, but we do have minorities. So far this year we've given a bake sale and marched in the Homecoming Parade. We have added new folks to our group and we'd like to say thank you for participating. "Let's all keep the faith." At the end of the school year, we will get together with other culture clubs from various schools and have a Prom. In '78 and '79 we plan to have a talent show, a dance, and to celebrate Black History Week in February. We owe all our gratitude to our sponsor, a person who's stuck by us in times of deep need. Thanks, Mr. Owens.

National Honor Society is an organization which recognizes and promotes scholarship, service, leadership, and character in high school students. In addition to being an academic endeavor, the society also acts as a service group. Members of the Dimond Chapter-called Kokogiak-have tutored students and acted as guides for visitors to the school. Students must achieve a grade point average of 3.5 in order to qualify for membership.

DECA

I believe in the future which I am planning for myself in the field of distribution, and in the opportunities which my vocation offers.

I believe in fulfilling the highest measure of service to my vocation, my fellow beings, my country and my God-that by so doing, I will be rewarded with personel satisfaction and material wealth.

I helieve in the democratic philosophies of .ivate enterprise and compition, and in the freedoms of this nation-that these philosophies allow for the fullest development of my individual abilities.

I believe that by doing my best to live according to these high principles, I will be of greater service both to myself and to mankind.

A small but growing number of students interested in developing new skills for an ancient game, compose the Dimond Chess Club. With meetings on Tuesdays and Thursdays after school in K-35, membership is open to all who wish to come and play. The beginning of the year is spent sharpening skills and learning strategy. The club plans to hold tournaments among members and with other schools.

OEA is a national Organization designed to help launch tomorrow's business leaders by creating situations that call for leadership and cooperation.

The Dimond Chapter holds meetings every other Thursday. At this time, they plan future projects, iron out present problems, and discuss the value of past experiences.

In March each year, statewide competition takes place with various office skills highlighted. Nationwide competition is provided for the winners.

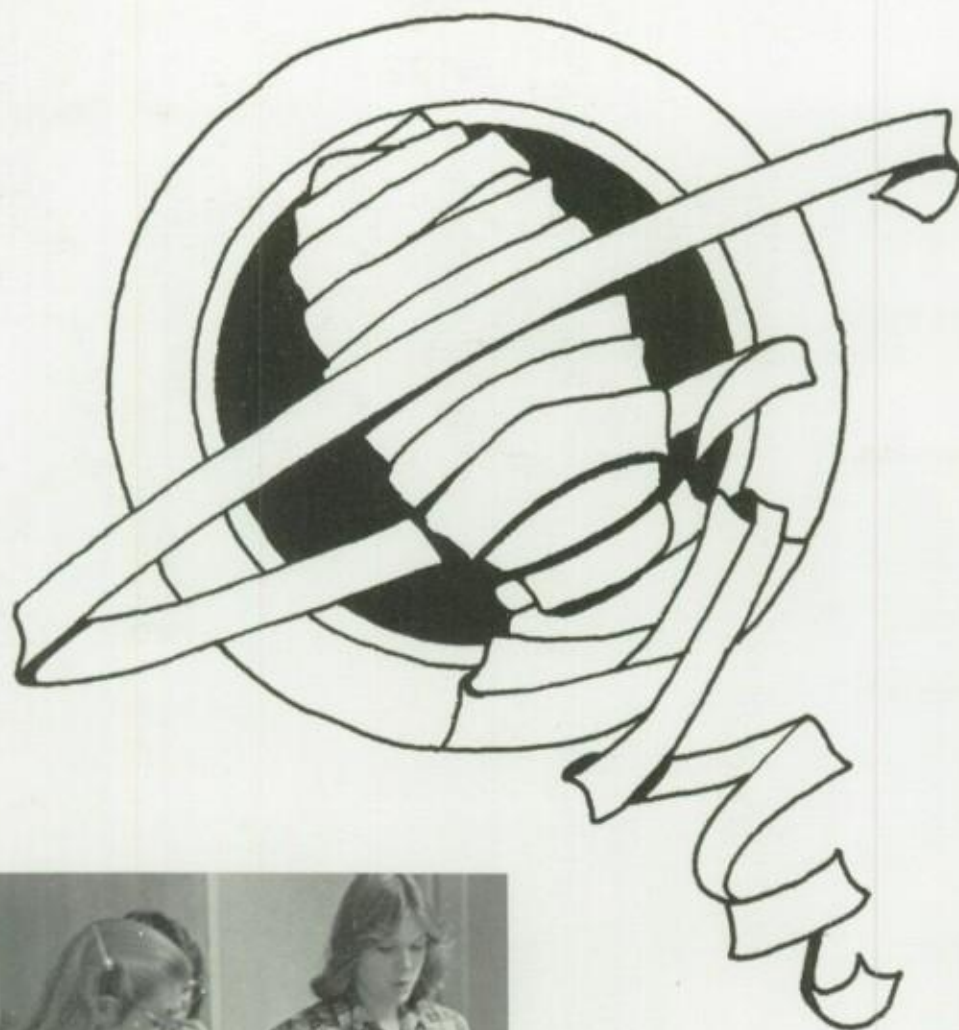

Members work together to raise funds that help send state winners to the national competitions.

Because OEA members are also co-op working students, they honor their employers twice each year with an open-house in their classroom in the fall, and an employer-employee breakfast at the Captain Cook in May.

MEDICAL CLUB

What is Medical Club? This question is often asked by many students throughout Dimond High. Medical Club gives students the opportunity to do volunteer work at such places as Providence Hospital, Alaska Hospital, and various nursing homes in the Anchorage district. As volunteers of Medical Club, roughly two hours each week are spent at the hospitals or nursing homes. For those students interested in furthering their career in a medical field, Medical Club is an important activity. Future Nurses, Physicians, and anyone interested are welcome to attend a Medical Club meeting.

"DIMOND ALASKAN CULTURE CLUB"
SPONSORS: MS. PELAGIO AND MS. PRIEST

Although most of the members of the club are of Alaskan Native decent, membership is open to any interested students. The general theme of the club is to promote cultural awareness and pride in one's heritage.

Some activities this year were:

- field trip to Alaska Federation of Natives, Inc. Convention
- participation in the Native Youth Olympics Competition
- cultural and fund raising projects

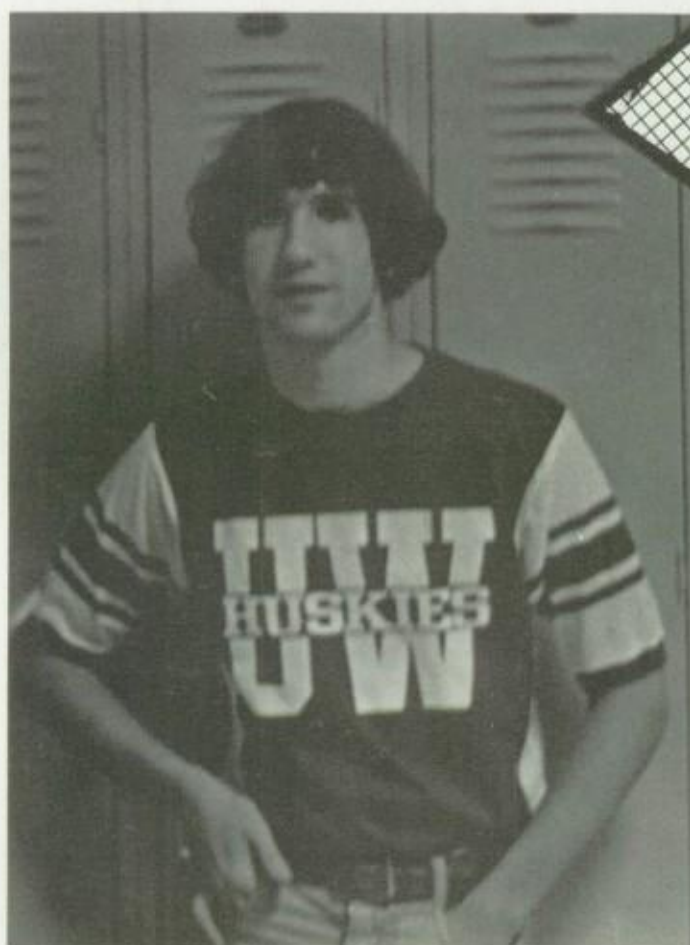

Another field trip is planned to Native Emphasis Week Activities at the museum. There students will observe native resource people demonstrating their skills in traditional arts and crafts. They will also observe student native dance groups from many areas of the state.

D-CLUB

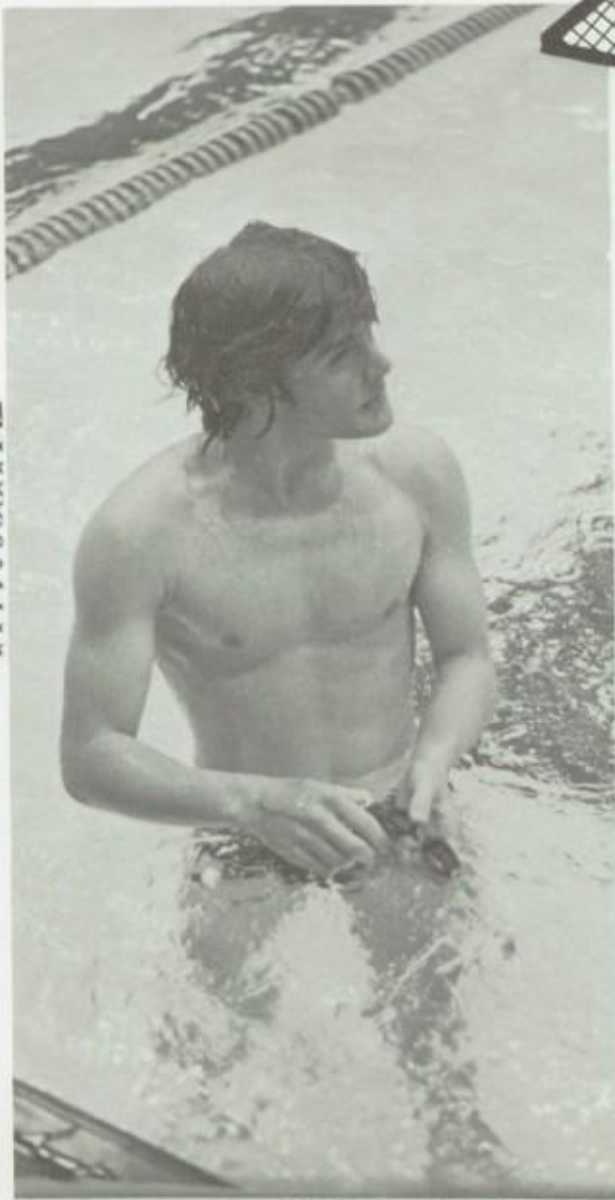

D-club is unique because it represents all varsity athletes who have earned at least one letter at Diamond High School

D-club is a service organization which along with D-ettes provides concessions at all home athletic events.

The money earned is recycled back into the school to buy new equipment, uniforms, and scholarships. At the end of the year the D-club along with the various coaches, choose one outstanding athlete who has shown his excellence in scholastic and athletic endeavors. Contributions and leadership within the D-club itself are also criteria for selection.

The D-club scholarship is \$500, and is awarded upon entrance to a college, university, or vocational school. D-club advisor is Mr. Sizelove.

The Wrestlingettes are growing by leaps and bounds! We have grown from a group of twelve girls, from last year, to a membership of thirty girls this year. We as a group expect to continue growing.

Through raising funds from the previous year, we have been able to furnish uniforms for all of the Wrestlingettes. We are now trying to raise money to buy a take-down machine, new warm-ups, and a score-board for our wrestlers.

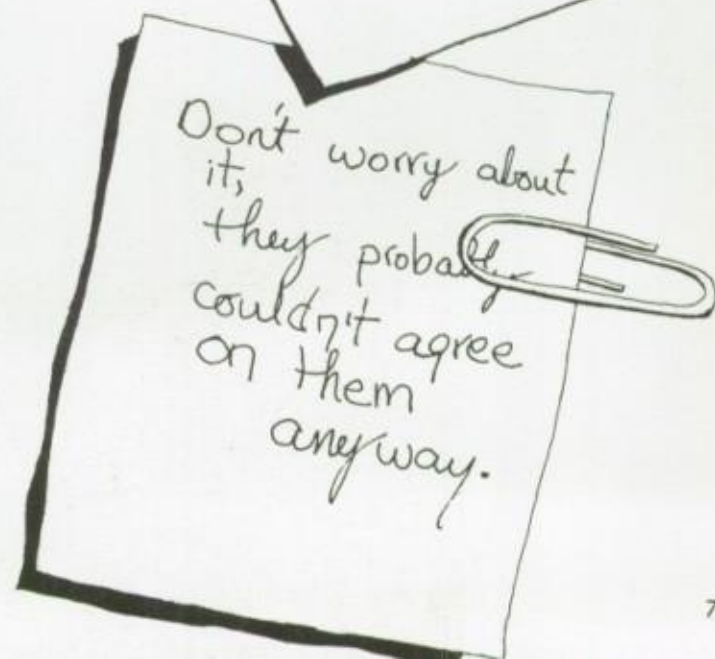

We are making Wrestlingettes an enjoyable organization to be a member of. Our sponsor, Mr. Smothers, is a tremendous help. This year's Wrestlingettes have a lot of spirit and are proud to be members.

FORENSICS

Left to right: Doug Barker, Jonathan Ralph, Donyel Dawson.

D-ETTES

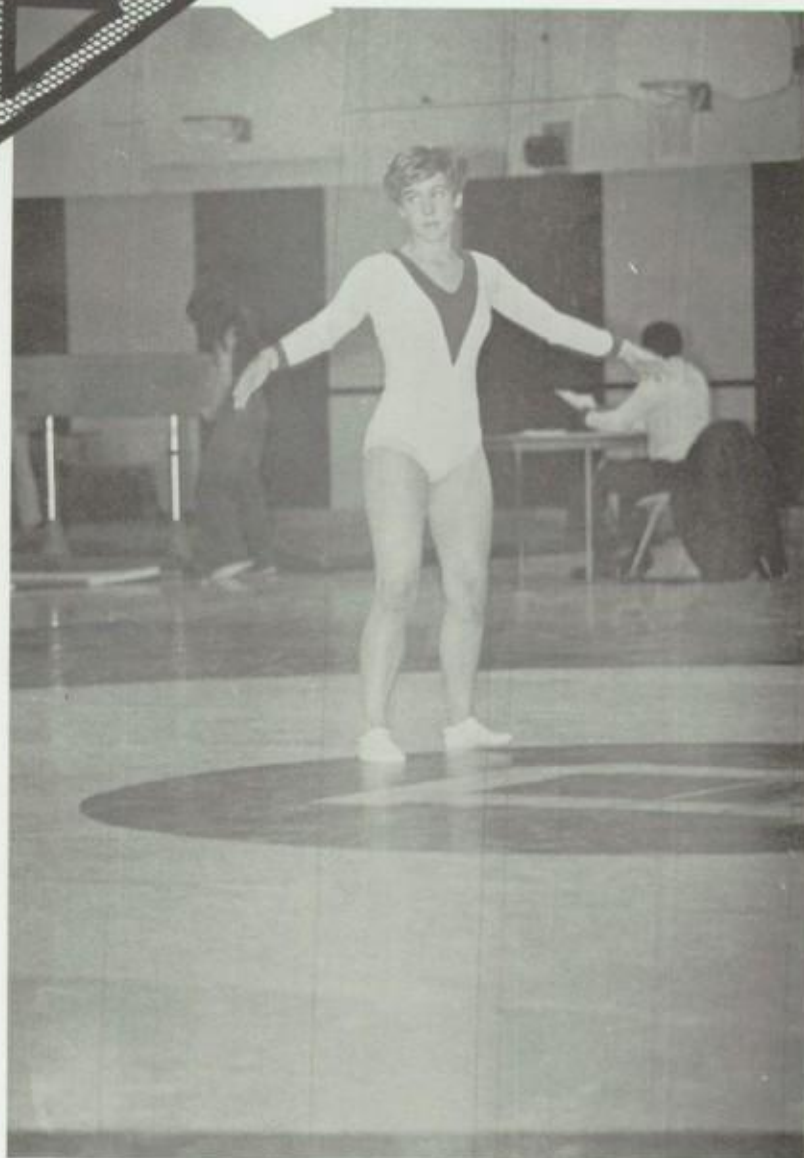

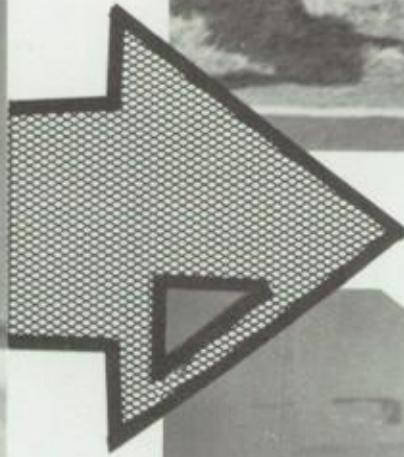

D-ettes Club is open to any high school girl who has lettered in a varsity sport.

Of their many activities, the most important is earning money for girls' sports uniforms and equipment. Also the D-ettes earn money for extra curricular activities such as transporting exhibition teams from place to place.

Every year the D-ettes Club chooses a senior girl athlete and offers a \$500 college scholarship.

All money is earned by D-ettes from selling popcorn and candy.

IGARAMKIN

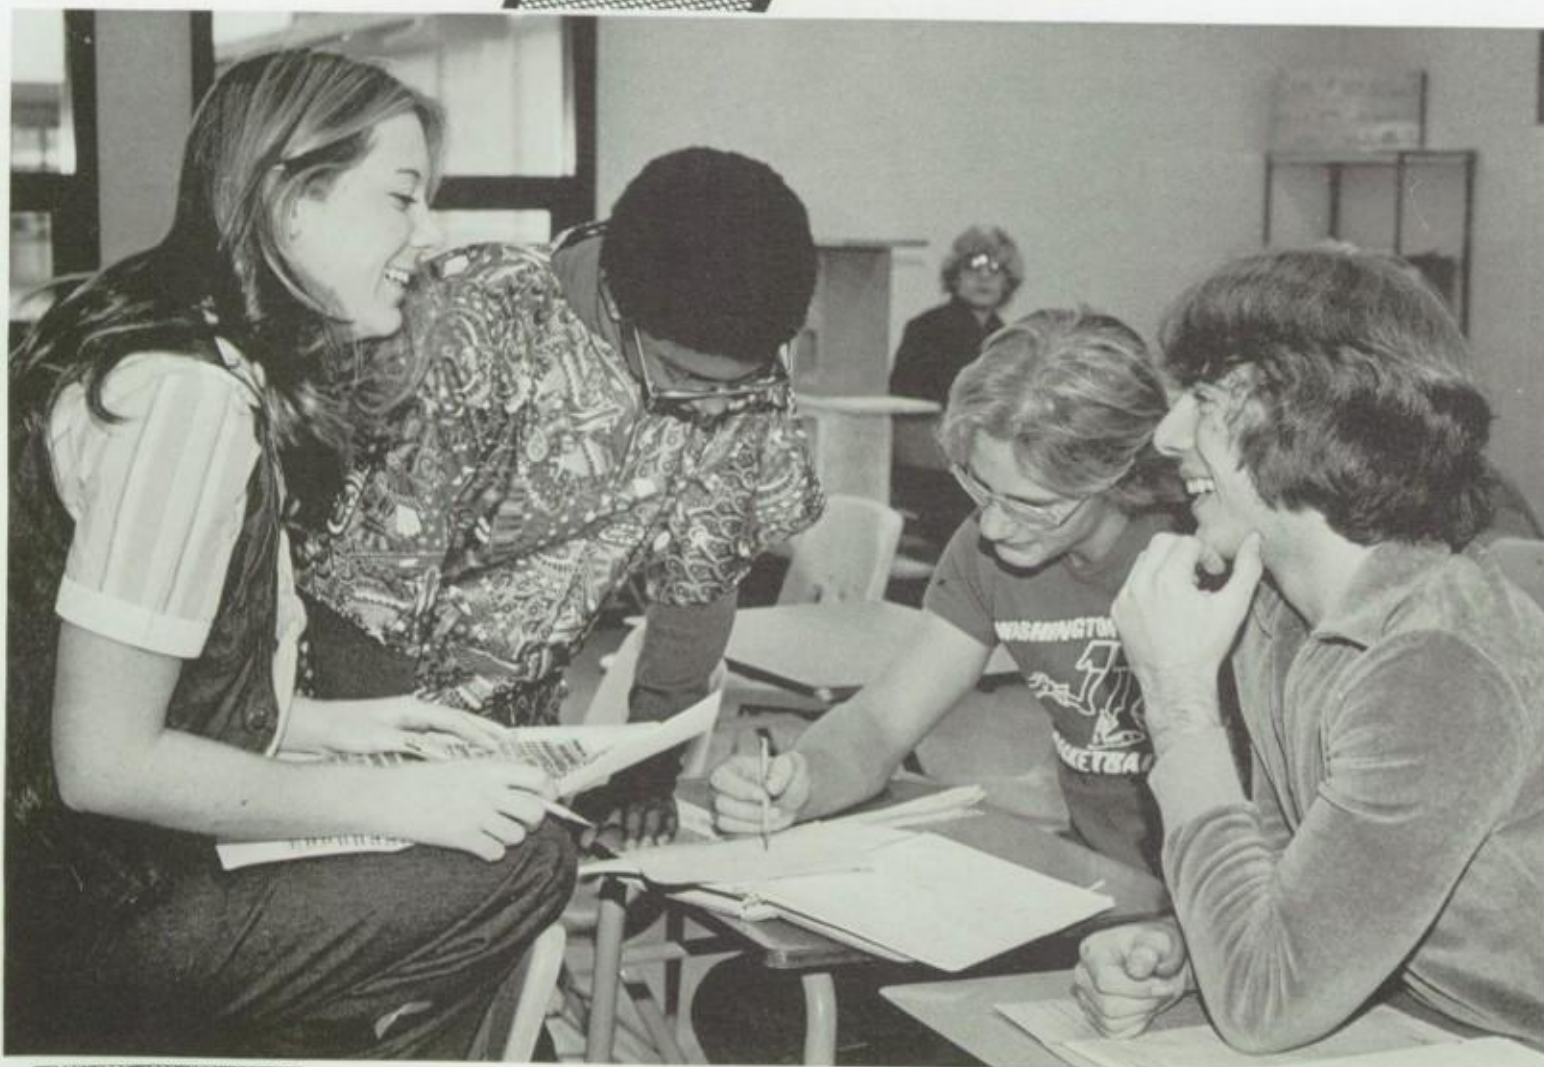

The IGARAMKIN, Dimond High School's newspaper, is published monthly. The class has been around since 1967 when the school began, starting each year with a new and inexperienced staff. Currently advised by Mrs. Robbie Hickok, the newspaper students learn good reporting techniques, writing skills and layout. The staff has no easy time digging up stories and trying to keep on top of all situations. Meeting those deadlines is a challenge, but somehow the enterprising staff always pulls through. IGARAMKIN members were easily spotted this year since they designed and bought their own bright gold T-shirts. pg 79

PEP CLUB

Pep Club is a group of people who help promote school spirit. Members try to attend all of the school activities and help in any way they can.

One of the things Pep Club does is to make every person who is involved in the school feel important.

Members work throughout the year doing the best job they can to make ours the most spirited high school around. "Dimond is still the one."

The yearbook class is one of intense chaos, disorder, mass confusion, and a struggle to produce the best yearbook ever.

With all the picture taking, labeling, writing, drawing, cutting and pasting, the staff began to see a side of each other that they had never known before.

The Spectrum Staff has proved to be fun, different, very challenging, yet exceptionally enlightening. It gave most of us a new sense of responsibility, and a drive of animal aggression.

Boys Gym

For thousands of years people have been fascinated by acrobats and circus trapeze acts. Those daring young men and women who court danger were usually greatly admired and always crazy.

Now acrobatics has evolved into Gymnastics and it is becoming more and more popular as time goes by. When something sweeps the country can Dimond be far behind? The Boys Gymnastics Team is relatively new but we try harder. We back tuck, we round off, we mount, we munch, and then we go home and listen to the BeeGees.

To be a Gymnast doesn't take all that much, just guts, determination, strength, ability, and no brains.

We the Gymnasts at Dimond High would like to dedicate this page to Jim Ross who started us on our way to stardom. Thank You and hurry back.

The Dimond Little Theatre Co. is a group of bright and energetic students whose activities help to foster an appreciation of theatre art within the student body as a whole. Each year dozens of plays are reviewed and a variety of activities planned. Generally the company offers major productions in the fall and spring. In addition, the Company cooperates with the music department in the presentation of a winter musical like **West Side Story** or **The Music Man**.

Although a formal acting class is included in the curriculum, most members of the Dimond Little Theatre Co. develop their practical skills in acting production work. Rehearsals are intense and demanding, but their intensity is more than matched by the enthusiasm of the group.

Stage Band is an offshot of the "big band" era of the 30's and 40's. The instrumentation is basically the same as it was then, the only difference being that the guitar and bass have been amplified. The music however has changed dramatically and Today is a combination of both jazz and light rock.

The Dimond Stage Band was organized in 1969 and was the first group of it's type in the Anchorage School District. The first year it met after school and since then has been a part of the curriculum. The idea spread to other schools and now all the Anchorage schools have a stage band program.

Each year the groups major performances include Jazz Nite, held here at Dimond, and the Anchorage Stage Band Festival, in which all Anchorage groups perform for each other.

Concert Band

This group is comprised primarily of ninth and tenth grade students. Efforts are made to improve on existing skills in order to qualify for the upper level Symphonic Winds. The Concert Band performs two concerts in a school year.

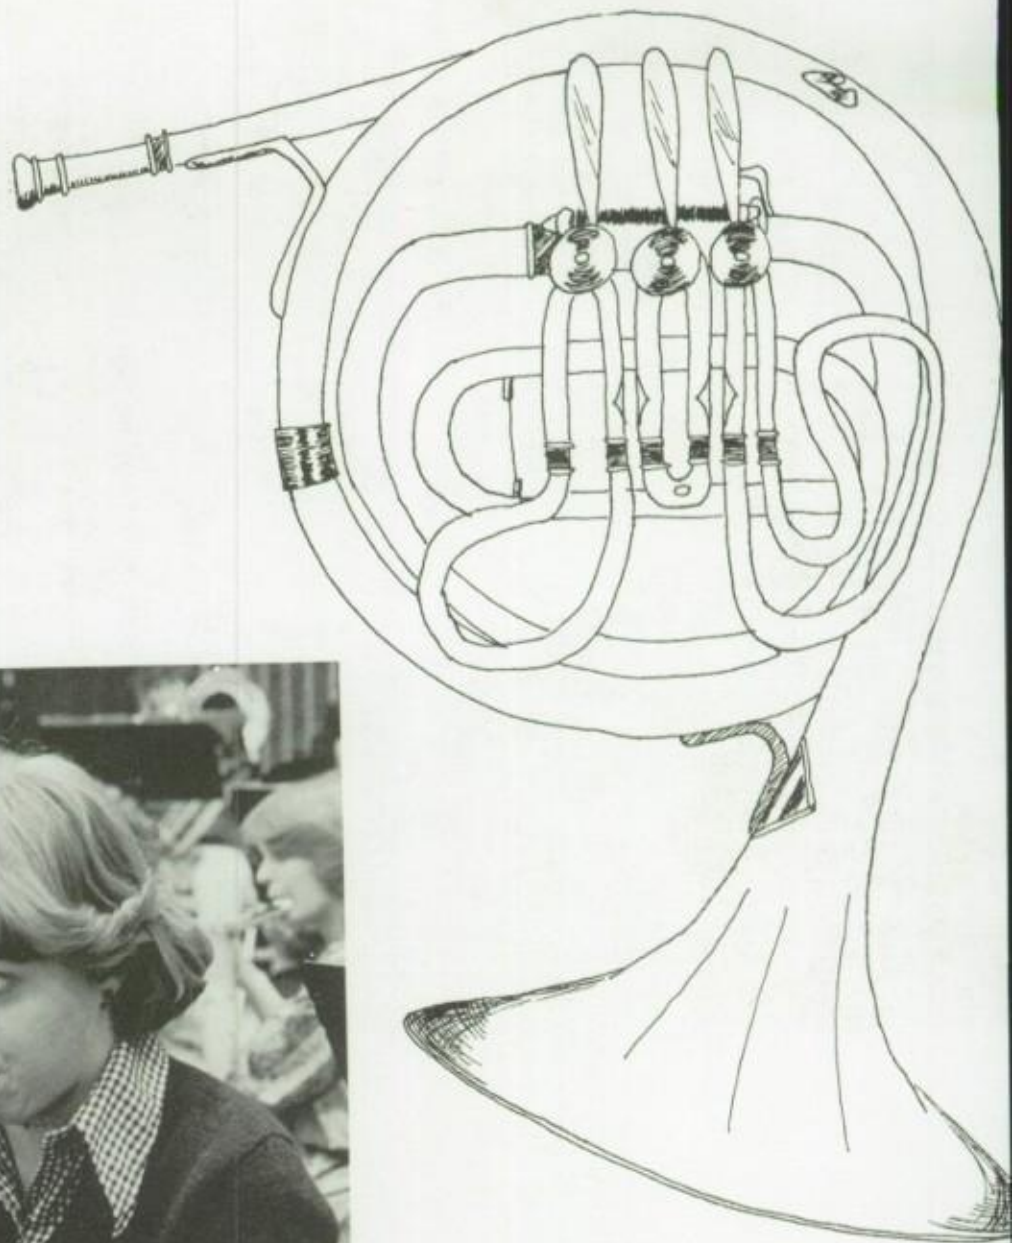

CONCERT BAND

SYMPHONIC BAND

Symphonic band presents approximately thirty performances each year. They play for basketball games, football games, and this year they will play for hockey games. We have over forty people currently participating this year.

Symphonic band also puts on concerts and special performances including marching in the Fur Rendezvous.

Most of what we play is classical, but during games we go modern.

ORCHESTRA

Margo Shohl, Ed Austermuhl, Judy O'Brien, Karen Jasper.

The Dimond High concert orchestra started its 1978/79 season with a series of presentations at various elementary schools in the area. In the fall we prepared auditions for the All-State Orchestra for which six Dimond orchestra students were selected. Margo Shohl, violist, was selected to perform in the All-Northwest Orchestra in Billings, Montana in March. A large amount of time was devoted to the Christmas concert. January was devoted to preparing for the solo and ensemble Festival, where Dimond was well represented, also it was the beginning of rehearsals for the school production of "Music Man" in which several members played in the pit orchestra. After the excitement of "Music Man" died down late winter and spring were spent in many hours of hard work and long rehearsals in anticipation of the City High School Music Festival in April. Both Mears and Dimond orchestras participated in a concert with the elementary honor orchestras from this side of town.

This Group has been rehearsing at Dimond, under Mrs. Boring who is assisted by several high school orchestra students.

This year's group falls under the heading of "small yet Mighty." Consisting of seventeen talented students, under the loyal directorship of Mrs. Bernadette Boring. The orchestra is comprised of Three Seniors, Four Juniors, Seven Sophomores, Seven Freshmen, and Three Eighth Graders. Margo Shohl serves as President, Judy O'Brien is Vice-President, Kathy McFarland and J.J. Mc Cloud are librarians.

...a real meat person. You have
an excellent personality. Hope we
stay friends through the years.
We are excellent summer party
a little for me. Take care and enjoy.

Back row from left to right, Mrs. Fedja, Stephanie Flynn, David Johnson, Laurie Misko, Teresa Murton, Michael Lynch, Brenda Bea Wegeland. Middle row from left to right, Cindy Krise, Dana Williams, Holly Mayer, Dawn Anderson, Andy Carroll, Natasha Edscorn, White. Front row: Gretchen Mueller and Carey Heim.

Primarily consisting of juniors and Dimond Swing Choir is a rigorous group that has gained a dang-goo in and around Anchorage.

Under the Supreme guidance of Mrs. Betty Thompson "MOM" Fe soared to heights never before mere mortal singing groups. We sing, we breathe from our diaphragm, physical contact.

Michael turned "18" all by himself, Jan. 25, 1979

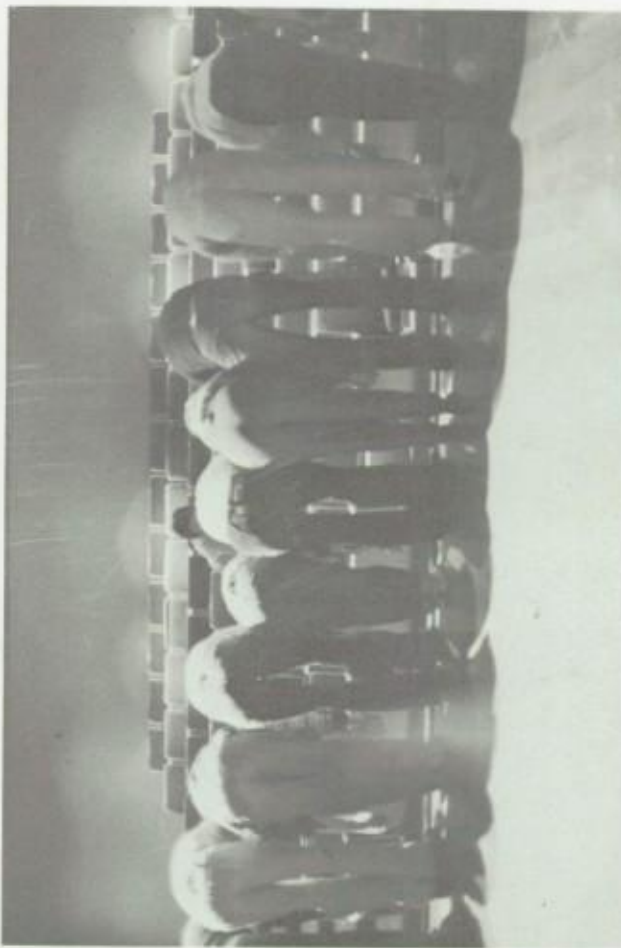

To belong to such an elite fellowship, one must pass stringent testing procedures ... Just a few include scaling the east wall of the Anchorage Westward while singing "Oh How I Need You" without sliding or flattening, dressing up as a can of pork and beans and dance the nutcracker suite on the park strip and living in an ant farm for four weeks.

So far this year we have performed two concerts at school. The first entitled "A Musical Collage" included songs from the Broadway shows "Annie" and "Chorus Line". As our Christmas Concert, we performed "A Ceremony of Carols" by Benjamin Britton, we also entertained many elementary schools and over the Christmas vacation, we were performing almost every day for various clubs and service organizations.

Throughout the entire school year, we have found great joy and comfort in our music, our performances and especially within each other. The magnitude of which far surpasses what we are able to communicate on this glossy page of the yearbook.

We had fun.

CONCERT CHOIR

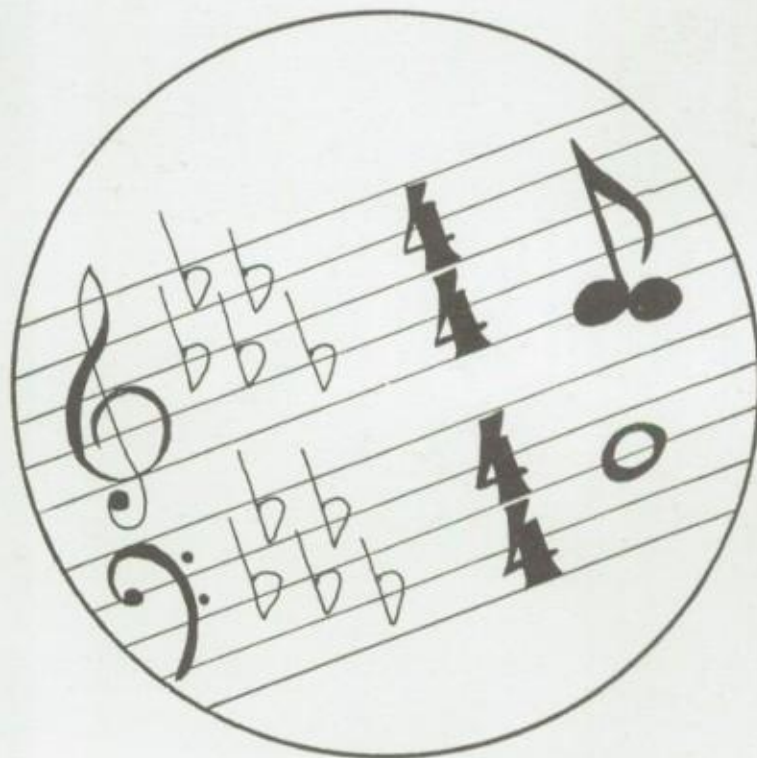

Concert choir is a great experience for people interested in music. During the year five to six concerts are presented to the community. This year all of the choirs joined together before Christmas vacation to sing Benjamin Britten's "Ceremony of Carols." This was an extremely difficult piece of music for us to undertake; but just like all of Dimonds concerts, the newspaper reviews were great. This year the music dept. is presenting "Music Man". Everyone in concert choir became involved either behind the scenes or on stage.

At piano: Natasha Edscorn, Angie Blackford. 1st row: Molly Carey, Leslie Vandergaw, Debbi Wyatt, Darrell Cootes, Barry Eller, Jimmy Dean, Brett Augustine, Scott Cooper, David Johnson, Kevin Ray. 2nd row: Jill Frensely, Pat Coons, Kim Morris, Rhonda Sanders, Steve Christian-son, Bob Sant, Vicki Holmes, Kayla Bergman, Caroline Robinson, Becky Peterson, Lynn Hanson, Brenda Whitaker, Janita Kreamalmeyer, Yammy McDurmit, 3rd row: Kim Ray, Joanne Noyes, Lori Ryan, Sandy Goeldman, Tanya Amidon, Sarah Riggs, Phyllis Warner, Diane Tulin, Mark Myers, Pam Vincent, Gretchen Grau, Holly Hume, Kari Gratrix, Linda Carpenter, Rosemary Evans, Becky Sant, Brandy Collins.

The banner they are holding reads "'81 SPIRIT IS REALLY GREAT!". The cheerleader on the right is wearing a pleated skirt and a sweater. The background is dark, and there are some scribbles at the bottom suggesting a ground surface.

FACULTY

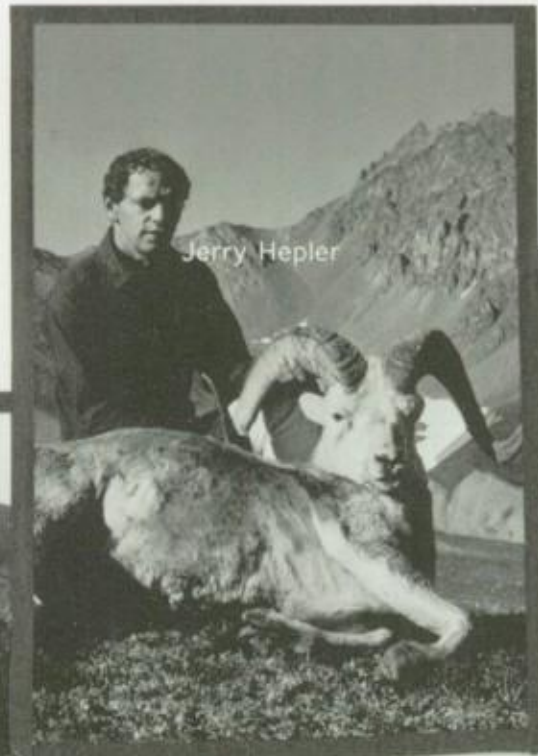

SPIRIT OF LASS OF 80

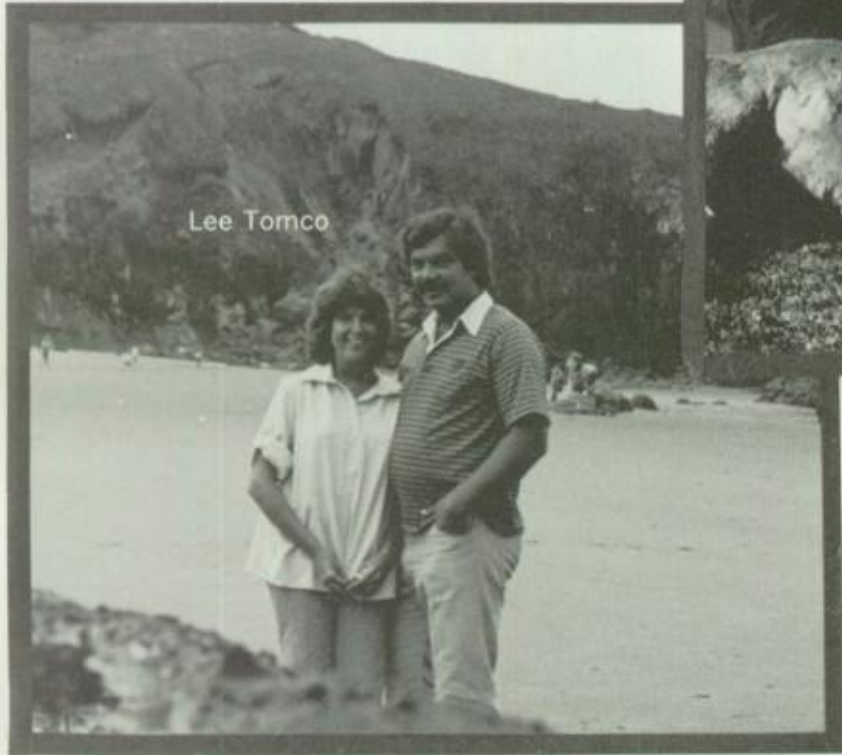

RULES FOR TEACHERS 1872

1. Teachers must always wear a bow tie and a top hat.
2. Each teacher will bring a bucket of water and a supply of coal for the school room.
3. Make your own cornballs. Teachers will make one in the individual name of the pupils.
4. No teacher may take any money from the school for teaching purposes, or for any other purpose.
5. If a teacher is asked to teach, the teacher must spend the morning, noon, and evening in the school.
6. No teacher who is asked to teach in the evening must be paid.
7. Every teacher should be paid from each year in the school, for the morning, noon, and evening, for the teaching year, so that he will not become a burden on society.
8. Any teacher who is asked to teach in the evening must be paid for the morning, noon, and evening, for the teaching year, so that he will not become a burden on society.
9. The teacher who is asked to teach in the evening must be paid for the morning, noon, and evening, for the teaching year, so that he will not become a burden on society.

HOT TANG

BRAND
INSTANT BREAKFAST DRINK

**Joe Redington, Sr., father of
the Iditarod Trail Sled Dog Race
... drinks hot Tang.**

This is what Joe Redington has to say . . . "My team sets a grueling pace as we race over the frozen tundra. I like to pause and have a hot drink. I always take Tang along, and drink it **hot**. It's convenient too. The concentrated form fits nicely in my pack and it is easy to mix. More importantly, hot Tang is satisfying and tastes great!" Many of you have been drinking cold Tang Brand Instant Breakfast Drink with Vitamin C for years. Now take a tip from Joe Redington and try some hot Tang on a cold, blustery day.

Recipe: Place 1 heaping tablespoon Tang in an 8 ounce mug.
Pour in boiling water.
Stir . . . and drink.

Allison,
Well, this year is
almost over. It went
really fast for me, how bout
you. So bad you won't be here
next year. I enjoyed having you in
class. You were one of the bright spots
(your smile) in the room. Seriously I'll miss
seeing you around. Good Luck in whatever
you do!

Mr. Russell

Bonnie,
Have a good
summer & party
local, when you
get a chance, take
a trip for me.

Hey Allison,
What cha doing?
I'm not doing a hell of
a lot. I really don't know
what to write but I'm
really glad you're back
cuz you're an excell
kid. Hope to party w/you
this summer.

Love Ya,

Al,
I hope we have
fun out, super great
action on the cap. We've
been through almost all high
school together, and I hope we'll
always be close friends. See you
next year in school.
Your Friend,
Always
Linda

Al,
It's been great knowing
you! Just think, all you
you have to do is get
through one more
year. So, I took
so long w/ the letter.
See you around.
